Policies for on-the-road instruction by Wheel Easy Driving School

1. Please allow a 15 minute “window” of flexibility on your drive-time scheduled appointment for the instructor to pick you up. Example: If your drive-time appointment is scheduled for 4 p.m., allow the instructor 15 minutes earlier (3:45 p.m.) or later (4:15 p.m). Please look for the car! We **do not** honk our horn or knock on your door. Please allow flexibility in your return-home schedule as well.
2. **ALL** cancellations must be made 24 hours in advance or there is a **\$65.00** charge. There are no exceptions. You must call the office at 203-262-1555.
3. All students are required by law to carry their learner’s permit with them for all drive-time appointments. Failure to have the permit at the time of your appointment automatically cancels your appointment and subjects you to the fee of **\$65.00**.
4. Please, do not wear flip-flops. They can easily get caught up when pivoting your foot from the gas pedal to the brake.
5. Remember to wear your eye glasses or contact lenses, if applicable.
6. We are **NOT** responsible for personal items left in our cars after your driving lesson.
7. Please remember to shut your cell phone off when entering student driving vehicle for your lesson. We do not need the distraction.
8. Remember to bring a few dollars with you in case a drive-through is on your learning schedule.
9. If you are being picked up at your home, let us know ahead of time if your house is difficult to find or the house number is not clearly visible. Be aware our G.P.S. does not find students in difficult locations.

10. Good hygiene is important because we are in “tight quarters”. Be considerate of your instructor. Also, please refrain from wearing perfume or colognes.
11. Sorry, don’t ask. The car radio is not allowed on during instruction. Again, we do not need the distraction and it is important for you to hear your instructor’s every word.
12. Appointments made for on- the- road (driving) lessons are scheduled a month to 6 weeks ahead.
13. The classroom portion must be completed before student does the on- the- road lessons.
14. Parents are asked to make these appointments in person **after** class. Please remember to write your scheduled driving time down. This is your responsibility, not that of the driving school. Any phone call we make to confirm your appointment is a courtesy, not a requirement of our school.
15. We only use the Waterbury DMV for road testing.
16. The owners of Wheel Easy Driving School have the right to permanently terminate enrollment of any student due to the student AND/OR parent(s) being verbally/physically abusive or disrespectful to an on-the-road or classroom instructor (this includes, but not limited to, suspicion of alcohol or drug use) with **NO** refund of the 30 hr program.
17. Parents are responsible for at least 32 hours of behind the wheel training instruction that must be completed.

Thank you for partnering with Wheel Easy Driving School LLC.
